National Association of Schools of Public Affairs and Administration, Executive MPA Committee, 2006-2011

Global Partnership, Board of Directors, 2005–2011

Recovery Act Case Program Workshop, National Technical Information Service, Washington, DC, 2010

Governor's Committee on Transforming Washington's Budget, Member, 2010

Economic Development/Transportation Subcommittee, Governor's Budget Panel, 2010

Association for Public Policy Analysis and Management, Strategic Planning Committee, 2010

National Academy of Public Administration, Fellow elected September, 2009

Association for Public Policy Analysis and Management, Spring Conference Program Committee, 2009

Association for Public Policy Analysis and Management, Executive Committee, 2009

Association for Public Policy Analysis and Management, Chair, Institutional Representatives, 2009

Association for Public Policy Analysis and Management, Policy Council, 2008–2009

National Association of Schools of Public Affairs and Administration, Data Quality Task Force, 2007–2008

Academe, Policy and Research Senior Advisory Committee to the U.S. Department of Homeland Security Advisory Council, 2006–2008

National Association of Schools of Public Affairs and Administration, Executive Council, 2005–2008

National Association of Schools of Public Affairs and Administration, Annual Conference Program Committee, 2007

Pacific Northwest Agribusiness, Executive Seminar Steering Committee, 2006–2007

National Association of Schools of Public Affairs and Administration, Chair Section on Executive Education, 2005–2007

Seattle Habitat for Humanity, Board of Directors, 2005–2007

Washington State Council on International Trade, Advisory Board, 2004–2007

Seattle World Affairs Council, Board, 2004–2007

Association for Public Policy Analysis and Management, First Vice President, 2005

CARE, Council of Advocates, 2004–2005

American Water Works Association Research Foundation, Research Review Panel, 2001–2005
National Water Research Institute, Research Advisory Board, 1994–2005
Association for Public Policy Analysis and Management, Second Vice President, 2004
Center for International Food and Agricultural Policy, University of Minnesota, Center Faculty, 1992–2003
Association for Public Policy Analysis and Management, Program Committee, 2000
National Academy of Sciences, National Research Council, Water Science and Technology, Board and Commission on Geosciences, Environment and Resources, Committee on American River Flood Frequencies, 1999
Northeast Midwest Institute and the National Oceanic Atmospheric Agency Blue Ribbon Panel: Economic Valuation of Great Lakes, Environmental Benefits, 1997–1999
National Academy of Sciences, National Research Council, Water Science and Technology Board and Commission on Geology and Geophysics, Committee on Review of US EPA's Research Priorities (The ROPE Committee), 1996–1998
California Business Roundtable, State Chamber of Commerce and the California Farm Bureau Federation, Academic Oversight Committee: California Water Marketing Project, 1995–1996
National Academy of Sciences, National Research Council, Water Science and Technology Board, Committee on Assessing the Value of Ground Water, 1994–1996
National Academy of Sciences, National Research Council, Institute for Transportation, Committee on Hazardous Materials, 1991–1993
National Academy of Sciences, National Research Council, Institute of Medicine, Board on Nutrition, State Food Labeling Committee, 1991–1992
American Agricultural Economics Association, Economic Statistics and Information Committee, 1987–1995
American Agricultural Economics Association, Review Committee: Quality of Research Communication Award, 1992–1993, 1993–1994
International Apple Institute, Washington, DC, Environmental Affairs Advisory Committee, 1990
US EPA and UN Food and Agriculture Organization International Congress on Pesticide Resistance, Committee on Constraints to New Technology Adoption, 1990–1991
USDA, National Agricultural Pesticide Impact Assessment Program, Review Panel on Agricultural Fungicides, 1990
University of California, Division of Agriculture and Natural Resources, Steering Committee, Food Safety Education Program, Oakland, CA 1989–1990
Council for Agricultural Science and Technology Task Force on Economic and Health Risks Associated with Mycotoxins, 1988–1989
American Agricultural Economics Association, Committee on Professional Activities, 1985–1987
Reviewer, *American Journal of Agricultural Economics; Food Research Institute Studies; Journal of Applied Econometrics; Land Economics; Rand Journal of Economics; Western Journal of Agricultural Economics; World Bank; Journal of Soil and Water Science*

CONSULTING

US Environmental Protection Agency, 1975; 1989; 2000
National Water Research Institute, Analysis of Economics of Desalination in Southern California, 1999–2000
US Agency for International Development, Environmental Policy Training Project in Central and Eastern Europe, 1994–2000
State of Minnesota, Dakota County, Benefit-Cost Analysis Methods and Government Decision Making, 1999
US Department of Interior, Bureau of Reclamation, Economics of Water and Federal Water Policy, 1990–1994
Hennepin County, Minnesota, CO-2 Project Evaluation Committee, 1994
State of California, Department of Water Resources, Economics of Water Use, 1990–1992

Spectrum Economics, San Francisco, CA, Pesticide Regulatory Policy, Energy Pricing and Regulation and State Conjunctive Water Use Policy, 1992
Solano Irrigation District, Solano County, California, Value of Water Rights, 1992
US Department of Justice, Economic Value of Indian Water Rights, 1989–1991
Northwest Economics, Water Policy and Regulatory Analysis, 1991
National Grocery Manufacturers Association, Food Use Pesticide Policy, 1989
Western Consortium for Health, Berkeley, CA, Pesticide Regulatory Policy, 1989
State of California, Department of Agriculture, Pesticide Policy and Economics, 1988
Management Economics Group, Davis California, Firm and Market Economic Analysis, 1983–1987
Pacific Gas and Electric Company, Time-of-Use Energy Price Policy, 1983–1984
Oakland City School District, Oakland, CA, Budgeting, Program Evaluation, 1973

HONORS AND AWARDS

Warren G. Magnuson Award, Municipal League of King County, 2009
Public Administration Educator of the Year, American Society for Public Administration Evergreen Chapter, 2009
Outstanding Teaching Award, Hubert H. Humphrey Institute of Public Affairs University of Minnesota, 1993
Quality of Research Communication Award, American Agricultural Economics Association, 1989
Outstanding Dissertation Award, Department of Agricultural and Resource Economics, University of California, Davis, 1984
United States Department of Agriculture, Economic Research Service Dissertation Research Grant, 1981–1983
Liquid Sugars, Inc., Graduate Study Research Grant, 1979–1980
Ford Foundation Research Grant, 1978–1979

UNIVERSITY APPOINTMENTS and ASSIGNMENTS, UNIVERSITY OF WASHINGTON

Member, The William D. Ruckelshaus Center Governance/Executive Committee, 2010–present
Member, The William D. Ruckelshaus Center Advisory Board, 2009– present
Member, President's Council on Enterprise Risk Management Policy University of Washington, 2008–present
Member, University of Washington, Council of Environmental Deans 2007–present
Chair, University of Washington Environmental Stewardship Advisory Committee, 2004–present
Member, Washington State Institute for Public Policy Board of Directors, 2004–present
Chair, University of Washington Climate Action Planning Committee, 2008–2012
Member, Metropolitan Business Plan Policy Working Group, Puget Sound Regional Council/Prosperity Partnership, Seattle, WA, 2010
University of Washington President's Leadership Council, 2010
Chair, University of Washington, Building Names Committee, 2005–2010
Member, University of Washington, Human Resources Advisory Committee, 2004–2010
Dean's Representative, University of Washington Faculty Senate, Planning and Budget Committee, 2008
Dean's Representative, University of Washington Budget Committee, 2008
Elected Chair, University of Washington Board of Deans, 2007–2008
Co-Chair, University of Washington, Law School Dean's Search Advisory Committee 2007–2008
Member, University of Washington, Leadership, Culture and Values Initiative, 2005–2007
Chair, University of Washington Provost's Committee Reallocation of Vacated Faculty Positions, 2006
Member, University of Washington, Vice President for Human Resources, Search Advisory Committee, 2005–2006
Chair, University of Washington, Business School Dean Search Advisory Committee, 2004–2005

SELECTED UNIVERSITY APPOINTMENTS and ASSIGNMENTS, UNIVERSITY OF MINNESOTA

President's Council on Learning Assessment, 2001–2003
University Council of Research Associate Deans, 2000–2003
Executive Vice Provost and President, Search Committee for Associate Vice Provost for Faculty Development, 2002
Commission on the Environment, 2000–2002
Elected University Senator, 1997–1999; 1999–2001
International Programs Office, Interdisciplinary Project on Genetically Altered Foods, 2000
Humphrey Institute, Promotion and Tenure Committee, 1996–1997; Chair, 1999–2000
Humphrey Institute, Member, Graduate Admissions Director Search Committee, 1999–2000
Humphrey Institute, Member, Development Officer Search Committee, 1999–2000
Humphrey Institute, Member, Oversight Committee for Dual Executive Masters' Program, 1997–1999
Vice President and Provost, Humphrey Institute Dean Search Committee, 1996–1997; 1997-1998
Graduate School Task Force: Curriculum for Urban and Regional Planning Program, 1997
Graduate School, Social Science Policy Review Council (Chair), 1995–1996; 1996–1997
Graduate School Executive Committee, 1995–1996; 1996–1997
Graduate Program in Water Resources Science, Curriculum Committee, 1995–1997
Graduate School, Search Committee, Fessler-Lambert Chair, 1995–1996
Vice President, Research, Academic Integrity Committee, 1994–1995; 1995–1996
Department of Applied Economics, Seminar Committee, 1995–1996
Institute of Technology, Search Committee, Braun-Intertec Chair, 1994–1995
Humphrey Institute, Graduate Advisory Committee, Chair, 1993–1997
Humphrey Institute, Semester Transition Committee, Chair, 1995–1997
Humphrey Institute, Mid-career Program Design Committee, 1995–1997
Humphrey Institute, Public and Non-Profit Management Search Committee, 1995–1996
Humphrey Institute Social Policy Search Committee, Co-chair, 1995–1996
Humphrey Institute Ph.D. Program Design Committee, 1992–1993; 1993–1995 (Co-chair)
Humphrey Institute Admissions Committee, 1992–1994
Humphrey Institute, Served on numerous committees as Associate Dean within Institute and University

TEACHING

Graduate Instruction

Public Leadership Seminar, University of Washington
Production Economics, Stanford University
Advanced Research Methods, Stanford University
Advanced Seminar in Production Economics, Stanford University
Interaction of Biology and Economics in Agriculture, Stanford University
Intermediate Microeconomic Theory, University of Minnesota
Advanced Microeconomic Policy Analysis, University of Minnesota
Introduction to Policy Analysis, University of Minnesota
Economics of Natural Resources and Environmental Policy (cross-listed with Applied Economics), University of Minnesota
Capstone Workshop in Environmental Policy Analysis
Technology Policy (cross-listed with Institute of Technology), University of Minnesota
Regulatory and Environmental Policy in Agriculture, University of California, Davis
Innovation in Strategic Planning, Skills Workshop, University of Washington

Undergraduate Instruction

Microeconomic Principles for Program in Human Biology, Stanford University

INTERNATIONAL EXPERIENCE: Associated with Research/Teaching Activities

China, May 2013, Program Committee Member, Association for Public Policy Analysis & Management (APPAM), Collaboration Between Government, Market & Society: Forging Partnerships and Encouraging Competition,

Poland, 2007, Collaboration with Warsaw School of Economics to develop a joint degree in Executive MPA in Central and Eastern Europe

Japan, November 2007, Workshop on International Public Policy Education, Hyogo University

China, September 2006, Member Governor Christine Gregoire's Trade Mission to China and Japan

Sweden, 1992–2003, Humphrey Institute-Swedish Futures Institute Collaboration on Common Policy Issues, approximately one week in-country on alternating years organizing and participating in International Annual Conferences (with Robert Kudrle). Topics included: Global Environmental Change, Transportation Policy, The International Economy and National Governance, Health Care Policy

Poland, 1997–2002, teaching in the University of Minnesota Joint Degree Program in Public Affairs

Romania, October 2000, one week in-country conducting training on Environmental and Resource Economics, University of Minnesota-USAID Environmental Training Project for Central and Eastern Europe, Cluj, Romania

Romania, June 1999, one week in-country conducting training on Valuation of Environmental Resources, University of Minnesota-USAID Environmental Training Project for Central and Eastern Europe, Baile Felix, Romania

Italy, June 1999, VIII Meeting of Exchange between the University of Minnesota and the University of Padova, workshop and exploration of mutual research interests

Italy, June 1998, World Congress of Resource and Environmental Economists, Venice, Italy

Brazil, June 4, 1997, Keynote Address, Agricultural Policy and Implications for Major World Participants, 50th Anniversary of MANAH, S/A, São Paulo, Brazil.

France, June 1997, Participate in Second Toulouse Conference on Environment and Resource Economics, Institut D'Economie Industrielle, Universite des Sciences Sociales, Toulouse, France

Italy, June 1996 VI Meeting of Exchange between the University of Minnesota and the University of Padova, workshop and exploration of mutual research interests

Mexico, May 1995, Bi-national Workshop on Transboundary Resource Problems in the Era of NAFTA, sponsored by the NWRI, Imperial County, CA and the Government of Mexico

Romania, March 1995, approximately one week in-country conducting training in Environmental and Resource Economics, University of Minnesota-USAID Environmental Training Project for Central and Eastern Europe and Harvard Institute for International Development, Sinaia, Romania

Hungary, November 1993, approximately one week in-country conducting training in Environmental and Resource Economics, University of Minnesota-USAID Environmental Training Project for Central and Eastern Europe

Italy, February–March 1992, approximately three weeks in-country participating in an invited lecture series on Food Safety and Food Policy at Instituto di Economia E Politica Agraria, Universita Degli Studi Di Verona, Verona, Italy; Assolambardo Food Industry Group in Milano, Italy; the Instituto Nazionale di Economia Agraria, Roma, Italy; the Centro di Specializzazione e Ricerche, Portici, Italy; and Universita degli Studi Della Calabria, Dipartimento di Economia Politicas, Cosenza, Italy

Argentina, September 24–26, 1992, one week in-country participating in the SIV Congreso El Desafío del Mercado sponsored by the Associación Argentina de Consorcios Regionales de Experimentación Agrícola, Capital Federal and Mendoza, Argentina. Speaking and advising on food-safety policy and technology

Mexico, September 1986–1988, US Mexico Project between Stanford University's Americas Project and the Center for Economic Studies, El Colegio de Mexico, approximately four weeks in-country participating

in workshops and field work investigating small-holder Mexican agriculture and technology adoption

RESEARCH GRANTS AND CONTRACTS

Principal Investigator, Northwest Area Foundation ($100,000), Ideas for action awards: Making prosperity possible for all, 2012–2014

Co-Investigator (with Richard Callahan and H. Brinton Milward), IBM Center for the Business of Government ($20,000), A comparative analysis of ARRA case studies: Implications for the future of public sector executives and managers, 2011

Principal Investigator, Seattle Foundation ($8,780), Project on the impact of nonprofit policy-focused organizations, 2010–2011

Principal Investigator, United Nations Children's Fund (UNICEF) ($230,627), Diagnosis and directions: Analysis of current status and proposed activities, 2009–2011

Co-Principal Investigator (with Rachel Kleit), Northwest Area Foundation ($1,500,000), Understanding poverty in the Northwest, 2006–2010

Principal Investigator, MacNeil/Lehrer Productions ($18,670), Dialogues in democracy 2007: Life, liberty and the pursuit of happiness, 2007

Principal Investigator, Seattle Housing Authority ($34,000), Norman B. Rice assistantship, 2006–2007

Principal Investigator, King County Board of Ethics ($10,000), King County ethics project, 2006–2007

Principal Investigator, Northwest Area Foundation ($132,126), Planning grant, 2005–2006

National Water Research Institute, ($34,000), Value of water supply reliability in Southern California, 2002

National Association of Schools of Public Administration and US Environmental Protection Agency Small Communities Outreach Project Grant ($5,000), Minimizing the adverse impacts of rulemaking on small business: Primary drinking water regulations: Groundwater rules, 2000

Northeast Midwest Institute and NOAA, Economic Valuation of Great Lakes Water Resources Grant ($7,500), 1999–2000

Co-Principal Investigator (with Dan Farber, Law School), Ford Foundation-Humphrey Institute of Public Affairs Grant ($26,000), Develop interdisciplinary water policy research related to Great Lakes institutions and water rights, 1998–1999

Principal Investigator (co-investigators: K. William Easter, Hans Gregerson, Tom Johnson and Mary Renwick), New Initiatives in Interdisciplinary Research and Post-baccalaureate Education-University of Minnesota Graduate School ($96,000), Interdisciplinary investigation to value Great Lakes resources, 1997–1999

Co-Principal Investigator (with Estelle Bower and Mary Renwick), Minnesota Extension Service ($63,000), Policy issues for Lake Superior, 1997

Co-Principal Investigator (with K. William Easter, Applied Economics; Hans Gregerson, Forest Resources; Tom Johnson, Large Lakes Observatory) ($65,000), Economic research to value the use and non-use services of the Great Lakes, 1996–1997

Principal Investigator, Canadian Studies Grant ($9,000), Develop a bi-national research agenda to value climate change impacts on Great Lakes water resources, 1996

Principal Investigator, Minnesota Sea Grant Research Development Grant ($5,000), Develop a water policy research program focused on Lake Superior, 1996

Principal Investigator, Faculty grant-in-aid, Graduate School ($14,000), The economics of residential water use, 1995–1996

Principal Investigator, US Department of Interior, Bureau of Reclamation ($20,100), Economic adjustments to environmental water allocations, 1994–1995

Principal Investigator, State of California Water Quality Control Board Economic Working Group, Stanford University ($400,000), Economic and financial impacts of water availability for California agriculture, 1991–1992

Co-Principal Investigator (with David Zilberman), US Environmental Protection Agency, Office of Program Planning and Evaluation, Western Health Consortium ($40,000), Modeling welfare impacts of pesticide bans, 1989–1991

Principal Investigator, Morrison Population and Resource Institute, Stanford University ($10,000), Research grant, 1990

Principal Investigator, Bureau of Reclamation, Department of Interior ($75,000), Economic profile of irrigated agriculture, Westside San Joaquin Valley, 1989–1990

Principal Investigator, Ford Foundation Research Grant, US Mexico Project, Stanford University ($25,000), Economics of pesticide use in Mexican agriculture, 1988

Principal Investigator, Chemicals in the Human Food Chain, Policy and Regulation; Agricultural Issues Center, University of California, Davis ($60,000), Policy and regulation governing food use pesticides, 1987–1988.

Principal Investigator, Center for Economic Policy Research, Stanford University ($10,000), Environmental and policy resources research grant

SPONSORED PROGRAMS

Principal Investigator, Bill and Melinda Gates Foundation ($49,261), Federal Reserve Input, 2012-2015

Principal Investigator, Northwest Area Foundation ($100,000), Ideas for Actions Awards: Making Prosperity Possible for All, 2012-2014

Principal Investigator, US Department of State ($1,000,000), North African and Middle Eastern Municipal Governance Fellowship, 2012-2013

Principal Investigator, Institute of International Education ($202,483), Hubert H. Humphrey Fellowship Program 2012-2013, 2012-2013

Principal Investigator, Warsaw School of Economics ($1,734), Young Teachers Prepare a Management Course in English, 2012

Principal Investigator, Institute of International Education ($229,225), Hubert H. Humphrey Fellowship Program, 2011-2012

Principal Investigator, IBM Center for The Business of Government ($20,000), A Comparative Analysis of ARRA Case Studies: Implications for the Future for Public Sector Executives and Managers, 2011

Principal Investigator, Seattle Foundation ($8,780), Project on the Impact of Nonprofit Policy-Focused Organizations, 2010-2011

Principal Investigator, Partnership for Public Service ($2,000), Partnership for Public Service Call to Serve Grant Program Renewal, 2010-2011

Principal Investigator, Institute of International Education ($286,541), Hubert H. Humphrey Fellowship Program 2010-2011, 2010-2011

Principal Investigator, United Nations Children's Fund ($230,627), Diagnosis and Directions: Analysis of Current Status and Proposed Activities, 2009-2011

Principal Investigator, Institute of International Education ($202,048), Hubert H. Humphrey Fellowship Program 2009-2010, 2009-2010

Principal Investigator, Washington State University ($20,950), WSU WDRC Nurse Staffing Subcontract, 2009-2010

Principal Investigator, Partnership for Public Service ($3,000), Partnership for Public Service Call to Serve Grant Program, 2009-2010

Principal Investigator, Institute of International Education ($254,385), Hubert H. Humphrey Fellowship Program 2008-2009, 2008-2009

Principal Investigator, International Research and Exchanges Board ($15,452), 2007-2009 Edmund S. Muskie Graduate Fellowship Program, 2007-2009

Principal Investigator, Robert Wood Johnson Foundation ($199,838), Laura Evans Robert Wood Johnson Scholars in Health Policy Research Fellowship, 2007-2009

Principal Investigator, US Department of State ($68,115), US Ambassador Liberia Fellow Program, 2008-2009

Principal Investigator, Institute for International Public Policy ($15,000), Institute for International Public Policy Fellowship 2007-2008, 2007-2008

Principal Investigator, International Research and Exchanges Board ($15,402), 2006-2008 Edmund S. Muskie Graduate Fellowship Program, 2006-2008

Principal Investigator, MacNeil/Lehrer Productions ($18,670), Dialogues in Democracy 2007: Life, Liberty and the Pursuit of Happiness, 2007

Principal Investigator, Institute for International Public Policy ($15,000), Institute for International Public Policy Fellowship 2006-2007, 2006-2007

Principal Investigator, Seattle Housing Authority ($34,000), Seattle Housing Authority/Norman B. Rice Assistantship, 2006-2007

Principal Investigator, King County Board of Ethics ($10,000), King County Ethics Project, 2006-2007

Principal Investigator, International Research and Exchanges Board ($14,498), 2005-2007 Edmund S. Muskie Graduate Fellowship Program, 2005-2007

Principal Investigator, Northwest Area Foundation ($132,126), Northwest Area Foundation Planning Grant Proposal. 2005-2006

Principal Investigator, State of South Carolina ($31,014), SC Institute FY05-06, 2005-2006

Principal Investigator, Open Society Institute ($8,049), 2004-2005 Edmund S. Muskie Graduate Fellowship Program, 2004-2006

Principal Investigator, State of South Carolina ($26,788), SC Executive Institute 04-05, 2004-2005

PUBLICATIONS

Books and Monographs

An Economic Analysis of Water Supply Availability in California Agriculture, 3 Volumes, 1992. Palo Alto, CA: Center for Economic Policy Research, Stanford University, 450 pages.

A Bio-Economic Analysis of Pesticide Productivity: Pesticide Resistance in California Cotton, 1986. Department of Agricultural and Resource Economics, Research Report No. 86-3, University of California, Davis, 115 pages.

Management and Leadership in Higher Education, 1982 (with Chester O. McCorkle). San Francisco, CA: Jossey Bass, Inc., 236 pages.

Journal Articles and Book Chapters

"Transition and Sustainability: Empirical Analysis of Kuznets Curve for Water Pollution in 25 Countries in Central and Eastern Europe and the Commonwealth of Independent States," 2009 (with Zbigniew Bochniarz, Masahiko Gemma, and Tanja Srebotnjak). *Environmental Policy and Governance*, Vol. 19, No. 2., pp. 73-98.

"Assessing Sustainability of Transition of Central European Countries: A Comparative Analysis," (with Zbigniew Bochniarz). 2008. Chapter 2 in Zbigniew Bochniarz and Gary B. Cohen (eds.), *The Environment and Sustainable Development in the New Central Europe*, Oxford, UK: Berghahn Books, pp. 19–44 (first paperback edition).

"Managing the Enterprise: Challenges Facing Policy School Leadership," 2008. *Journal of Policy Analysis and Management*, Volume 27, No. 2, pp. 434–441.

"Assessing Sustainability of the Transition in Central European Countries," 2006 (with Zbigniew Bochniarz). Chapter 2 in Zbigniew Bochniarz and Gary B. Cohen (eds.), *The Environment and Sustainable Development in the New Central Europe*, Oxford, UK: Berghahn Books, pp. 19–44.

"Market Liberalsation and Sustainability in Transition: Turning Points and Trends in Central and Eastern Europe," (with Luana E. Banu and Zbigniew Bochniarz). 2005. In JoAnn Carmin and Stacy D. VanDeveer (eds.), *EU Enlargement and the Environment: Institutional Change and the Environment*, London, UK: Routledge, pp. 266–289.

"Market Liberalisation and Sustainability in Transition: Turning Points and Trends in Central and Eastern Europe," 2004 (with Luana E. Banu and Zbigniew Bochniarz). *Environmental Politics*, Vol.13, No.1, pp. 266–289.

"Environmental Outcomes Assessment: Using Sustainability Indicators to Measure Environmental Outcomes for Central Europe to Measure Transition Effects on the Environment," 2003. In Ervin, Kahn, and Livingtson, (eds.), *Does Environmental Policy Work: Theory and Practice of Outcomes Assessment*. New Horizons in Environmental Economics (Wallace Oates, series ed.). Northampton, MA: Elgar Press, pp. 83-113.

"Assessing Environmental Impacts of Transition," (with Zbigniew Bochniarz). 2000–01. *Periphery*, Volume 6/7, pp. 86–92.

"Benefit-Cost Analysis and Its Use in Regulatory Decisions," 1999 (with K. William Easter and Nir Becker). In Ken Sexton et al. (eds.), *Better Environmental Decisions*. Washington, DC: Island Press, pp. 157–176.

"Estimation of Optimal Forest Protection Expenditures Under Uncertainty," 1998 (with Syed A. Husain, Dietmar Rose, and Joan Nichols). *Journal of Forest Planning*, Vol. 4, No. 1, pp. 27–33.

"Demand Side Management Policies for Urban Water Use: Who Bears the Conservation Burden," 1998 (with Mary E. Renwick), *Land Economics*, Vol. 74, No. 3, pp. 343–359.

"Expected Transaction Costs and Incentives for Water Market Development," 1998 (with Mary E. Renwick). Chapter 7 in K. William Easter, Ariel Dinar, and Mark Rosegrant (eds.), *Markets for Water: Potential and Performance*. Natural Resource Management and Policy Series (Ariel Dinar and David Zilberman, series eds). Norwell, MA: Kluwer Academic Press, pp. 95–118.

"Identifying Agricultural Sites for Biomass Energy Production in Minnesota, 1998 (with Syed A. Husain and Dietmar W. Rose). *Biomass and Bioenergy*, Vol. 15 No. 6, pp. 423–435.

"A Framework for the Integration of Environmental and Sustainable Development Issues into Agricultural Planning and Policy Analysis," 1996 (with G. Edward Schuh). Chapter 1 in Steven A. Breth (Ed.) *Integration of Sustainable Agriculture and Rural Development Issues in Agricultural Policy*. Morrilton, AR: Winrock International, pp. 3–44.

"Impact of Central Planning on Production Efficiency: The Case of the Cotton Textile Industry in China," 1993 (with Kamman Cheung and Miguel Faig). *Journal of Comparative Economics*, Vol. 17, March, pp. 23–42.

"Technology and Labor Intensive Agriculture: Competition Between Mexico and the United States," 1992 (with David Runsten). In Jorge A. Bustamante, Clark W. Reynolds, and Raul A. Hinojosa (eds.), U.S.-Mexico Relations: Labor Market Interdependence. Palo Alto, CA: Stanford University Press, pp. 449–476.

"A Flexible Model of Factor-Biased Technological Change: An Application to Japanese Agriculture," 1991 (with Loren Brandt). *Journal of Development Economics*, Vol. 35, No. 1, pp. 127–145.

"Regulating Chemicals: A Public Policy Challenge," 1990. *Choices*. First Quarter, pp. 20–25.

"Pesticides in Food: Assessing the Risks," 1990 (with Carol Winter). Chapter 1 in C.K. Winter, J.N. Seibert, and F. Nuckton (eds.), *Chemicals in the Human Food Chain*, New York, NY: Von Nostrand Reinhold Co., Inc., pp. 1–50.

"California's Proposition 65: A New Regulatory Trend?" 1989 (with Gloria Helfand). In John Braden (ed.), *Agriculture and Water Quality: International Perspectives*, Boulder, CO: Lynne Rienner Publishers, Inc., pp. 147–167.

"Pesticide Residues and Cancer Risks," 1989 (with Carl Winter). *California Agriculture*. Vol. 43, No. 6, pp. 6–9.

"Incorporating Externalities in Agricultural Productivity Analysis," 1988. Chapter 13 in S.M. Capalbo and J.M. Antle (eds.), *Agricultural Productivity: Measurement and Explanation*, Baltimore, MD: Johns Hopkins Press, pp. 366–395.

"Regulating U.S. Food Processing Industries," 1988 (with Dale Dahl). Chapter 5 in C.O. McCorkle, Jr. (ed.), *Economics of the U.S. Food Processing Industries*, New York, NY: Academic Press, pp. 167–214.

"Food Industry Dynamics and Economic Policy," 1988 (with Alex McCalla and C.O. McCorkle). Chapter 12 in C.O. McCorkle, Jr. (Ed.), *Economics of the U.S. Food Processing Industries*, New York, NY: Academic Press, pp. 409–434.

"Trends in the U.S. Food Processing Industry: Implications for Modeling and Policy Analysis in a Dynamic Interactive Environment," 1985 (with Alex F. McCalla and C. O. McCorkle). *American Journal of Agricultural Economics*, Vol. 67, No. 5, pp. 1149–1154; (Japanese translation) in Nobiyuku Nogyo, Tokyo, Japan, 1987.

"Meeting the Challenges of the 1980s—A Perspective on Higher Education," 1980 (with C.O. McCorkle). *Western Journal of Agricultural Economics*, Vol. 5, No. 2, pp. 203–208.

Published Research Reports

Key Actions That Contribute to Successful Program Implementation: Lessons from the Recovery Act. 2012. IBM Center for the Business of Government, Washington, DC (with Richard Callahan, H. Brinton Milward, and Kay Sterner), 67 pages.

Evaluating Environmental Effects of the Transition in Central and East European Countries: A Preliminary Research Report. September 2001. Center for Nations in Transition, Hubert H. Humphrey Institute of Public Affairs, University of Minnesota, Minneapolis, MN, 25 pages.

"What Does the Law Require," Chapter 2 in *Science for Solutions: Great Lakes Economic Valuation Handbook*, 2000. Decision Analysis Series. Washington, DC: National Oceanic and Atmospheric Agency, US Department of Commerce. pp. 120–122.

National Research Council, Water Science and Technology Board and Commission on Geosciences, Environment and Resources, *Report on American River Flood Frequencies.* Committee on American River Flood Frequencies, 1999.

National Research Council, Committee on Research Opportunities and Priorities for EPA, *Building a Foundation for Sound Environmental Decisions*." 1997. A Report to the Board on Environmental Studies and

Toxicology, the Water Science and Technology Board, and the Commission on Geosciences, Environment and Resources. Washington, DC: National Academy Press, 88 pages.

National Research Council, Committee on Valuing Groundwater, 1997. *Valuing Ground Water: Economic Concepts and Approaches.* Water Science and Technology Board, Washington, DC; National Academy Press, 204 pages.

Transportation Research Board, *Special Report 239: Hazardous Materials Shipment Information for Emergency Response.* 1993. Institute for Transportation, Washington, DC: National Academy Press, 232 pages.

National Research Council, Committee on State Food Labeling, 1992. *Food Labeling: Toward National Uniformity.* Board on Nutrition, Institute for Medicine, Washington, DC: National Academy Press, 256 pages.

Economic Profile of Agriculture in the West Side of the San Joaquin Valley, 1990. Report to the San Joaquin Valley Drainage Program, U.S. Department of Interior, Sacramento, CA, July.

Modeling Impacts of Fungicide Cancellations in the U.S. Apple Market, 1989. A Report to the Office of Policy, Planning and Evaluation, United States Environmental Protection Agency, Washington, DC, September, 45 pages (with Tim Brown and David Zilberman).

"Economic Impacts of Mycotoxins," 1989. In *Mycotoxins: Economic and Health Risks,* 1989. Report No. 116, Council for Agricultural Science and Technology, Ames, IA, pp. 45–53.

Shared Markets, Shared Risks: Pesticides in Mexico and the US, August 1989. Report to the Ford Foundation, US-Mexico Project, Stanford University, Stanford, CA, 76 pages (with Robin Marsh and M.C. Robledo).

Regulating Chemicals: A Public Policy Quandary, 1988. (Ed.) University of California: Agricultural Issues Center.

National Research Council, Committee on Emerging Trends in Agriculture, *Emerging Trends in Agriculture and Their Impact on Wildlife Habitat,* 1982. Board on Agriculture and Renewable Resources, Washington, DC: National Academy Press.

Papers Published in Proceedings

"Benefit-Cost Analysis and Regulatory Decisions." Proceedings: *6th Joint Conference on Agriculture, Food and the Environment,* St. Paul, Minnesota, August 31–September 2, 1998. Published by University of Padova, Padova, Italy (with K. William Easter).

"The Rose of Regulatory Reform in Sustainable Development: An Economist's Perspective," 1996. In Ken Sexton and Barbara Scott Murdock (Eds.), *Environmental Policy in Transition: Making the Right Choices,* Minnesota Series in Environmental Decision-Making, Volume (1): 85:91.

"Integrating Environmental and Sustainable Development Issues into Agricultural Policy Analysis," Invited Paper. *Proceedings: 5th Joint Conference on Agriculture, Food and the Environment,* Padova, Italy, June 17–18, 1996 (with G. Edward Schuh).

"Institutional and Bio-Physical Constraints on Water Transfers," 1995. Selected Paper. *Abstract in Proceedings.* Western Social Science Association, Oakland, CA, April 26–28.

"Research Information Needs to Facilitate the Regulatory Policy Process," 1991. Invited paper. Published in *Proceedings: Look Through the '90s: The U.S. Fruit and Vegetable Industry.* Workshop sponsored by the S-222 Regional Research Committee and the Farm Foundation, June 10–11, Washington, DC

"Getting the Pig to Market: Economics of Biotechnology." 1990. Invited Paper. Organized Symposium on Developments in Animal Biotechnology, Chemistry and Biotechnology. *Abstract in Proceedings,* American Association for the Advance of Science Annual Meeting, New Orleans, LA, February 18–19.

"Managing Pesticide Resistance," Invited paper. Abstract in *Proceedings,* IAAIE Annual Conference, San Luis Obispo, CA, February 6–7, 1989.

"Policy and Regulation Governing Pesticides," 1988. In Harold O. Carter and Carole Frank Nuckton (Eds.), *Chemicals in the Human Food Chain: Sources, Options and Public Policy.* Proceedings of a symposium, University of California Agricultural Issues Center, Sacramento, CA, June 3–4.

"Food Quality and Safety," 1987. Invited Paper. In Harold O. Carter and Carole Frank Nuckton (Eds.), *Marketing California's Specialty Crops: Proceedings of a Symposium*, Agricultural Issues Center, University of California, Sacramento, CA, June 1–2.

Book Reviews

Review of National Research Council, *Regulating Pesticides in Food: The Delaney Paradox* in *Land Economics*, 1989, Vol. 65, No. 1, pp. 79–86.

Review of David Debertin, *Agricultural Production Economics* for the *American Journal of Agricultural Economics*, May 1987, Vol. 69.

Written Testimony (1987–Present) and Press

"Whether in football or business, leaders are made, not born." *Puget Sound Business Journal*, January 17-23, 2014.

"Green things happen when we all work together." *The Seattle Times*, November 7, 2012.

"Return to a political debate based on facts." *The Seattle Times*, October 17, 2012.

"An Economic Analysis of Water Availability in California Agriculture: Impacts of Federal Water Quality Policy," 1992. Testimony before the California State Water Resources Control Board, San Francisco, CA, July.

"Economic Impacts of California's Conjunctive Use Water Policy on Agriculture," 1992. Testimony before the California Public Utilities Commission, San Francisco, CA, March.

"Economic Implications of Increased Groundwater Pumping in Response to Drought-Induced Surface Water Shortages," 1992. California Public Utilities Commission Hearing on the Economic Implications of Higher Electricity Rates to Agricultural Class Customers and the Various Alternatives Available to Reduce Their Electricity Demands, Sacramento, CA, March 27.

"Developing Food Safety Policy for Food Use Pesticides: Trade Implications of Pesticide Bans," 1990. Testimony before the International Trade Commission, Washington, DC, May.

Technical Reports and Workshop Proceedings

"The Value of Water," 1999. National Water Research Institute. NWRI-99-011. Fountain Valley, CA. (with C.W. Abdalla, B.L. Cross, P. Hall, J.K. Lazo, K.P. Lindstrom, B. Sheikh, and G. Silva).

"Economic and Environmental Indicators to Guide Land Use Planning," 1998. A Report of Cook County, Minnesota Planning Commission, Humphrey Institute of Public Affairs and Minnesota Extension Service, Minneapolis, MN (with Mary E. Renwick, Tom Rosales and Tim Thoreen).

Groundwater Disinfection Regulation Workshop: Proceedings, 1997. Occasional Paper NWRI-97-1, Fountain Valley, CA. National Water Research Institute.

"Benefits From a Quality Assurance Program that Integrates Public Health Information: A Task Force Report," 1997. Proceedings: Groundwater Disinfection Regulation Benefits Conference. National Water Research Institute, Arnold and Mabel Beckman Center of the National Academies of Sciences and Engineering, Irvine, CA, March 17.

"Transboundary Resource Problems in the Era of NAFTA: The Case of the New River," 1995. Proceedings from a Bilateral Workshop. National Water Research Institute, County of Imperial, California and the Government of Mexico, Holtville, CA, May 19.

"Pesticide Residues and Cancer Risks," January 1994. A Woman's Place, pp. 34–37.

"Mixing Water and Electricity: Conjunctive Use Policy in California Agriculture," 1993. San Francisco, CA: Spectrum Economics (with Steve Moss).

"Global Trends in the Aluminum Recycling Industry," 1992. State and Local Policy Program, Recycling Conference, Humphrey Institute of Public Affairs, University of Minnesota, November (with David van Hattum and Karen Linner).

"Institutional Factors in Agricultural Adjustments to Trade Liberalization: Japanese and California Rice Production," 1988. Working Paper, Social Science Research Council.

"Analysis of Pacific Gas and Electric Company's Load Management 'PA-2' Time-of-use Rate Program," 1985. A report prepared for Pacific Gas and Electric Company, December, 40 pages.

PAPERS PRESENTED AT PROFESSIONAL MEETINGS

"The American Recovery and Reinvestment Act: Research Findings on Implementation for Public Policy and Management." Proceedings: Association for Public Policy Analysis and Management 2012 Fall Conference, Baltimore, MD, November 8–10, 2012 (with Richard F. Callahan, H. Brinton Milward, and Kay Sterner).

"Noncredit and Certificated Executive Programs: Expanding the MPA Footprint," National Association of Schools of Public Affairs and Administration Fall Conference, October 17. 2008, Charleston, SC.

"A Changing Public Service Enterprise: Time for New Strategies." APPAM Spring Conference. April 5, 2008, Washington, DC (with Laurel McFarland).

"Liberalization and the Environment in Countries in Transition," Conference on the Global Environment, Austrian Center, University of Minnesota, Minneapolis, MN, September 21, 2002.

"Comparative Rural Development Policies: What Can We Learn from the US," 2000. 8th Joint Conference on Food, Agriculture and the Environment, University of Bologna, Bologna, Italy, June 10–15.

"An Empirical Analysis of the Environmental Kuznets Curve in Central and Eastern European Transition Economies," 1999. Selected Paper. European Association of Environmental and Resource Economists, June 22–25, University of Oslo, Oslo, Norway.

"Modeling Sustainable Growth: Determining the Effects of Economic Restructuring and Environmental Investments on Productivity Growth in Central European Countries," European Conference of Environmental and Resource Economists, Warsaw, Poland, September 24–26, 1998 (with Zbigniew Bochniarz).

"Managing Transboundary Water Resources: Hidden Impacts of Consumptive Water Uses in the Great Lakes," 1998. Selected paper, American Agricultural Economics Association Annual Meetings. Salt Lake City, UT, August 2–5. Abstract in American Journal of Agricultural Economics, Vol. 80(5). December 1998, pp. 1189 (with Nir Becker, K. William Easter, and Mary E. Renwick).

"Transactions Costs and Incentives for Water Market Development," 1997. Organized Symposium. Environmental Policy Choices: Are Politicians the Only Ones Measuring Transactions Costs? American Agricultural Economics Association Annual Meeting, Toronto, Canada, July 27 –30.

"Modeling Urban Water Demand," 1997. Second Toulouse Conference on Environment and Resource Economics, Institut D'Economie Industrielle, Universite des Sciences Sociales, Toulouse, France, May 14–16.

"Demand Side Management Policies for Residential Water Use: Who Bears the Conservation Burden," 1997. Selected Paper. Western Regional Science Association Annual Meeting, Big Island, HI, February 23–27.

"Modeling Gains-from-Trade in the California Water Industry: A Response to Environmental Water Demands," 1996. Invited paper. Western Regional Science Association 35th Annual Meeting, Silverado Country Club, Napa, CA, February 25–29 (invited for submission to *Annals of Regional Science).*

"The Value of Information in Pesticide Regulation," 1994. Invited Paper. Annual meeting of the National Association for Science and Technology: Technological Citizenship and Future Generations, Washington, DC, January 22–23.

"Institutional Factors in Economic Policy Analysis: California Rice Production," 1993. Invited Paper. An International Workshop on Japanese Agriculture, Social Science Research Council, East West Center, Honolulu, HI, August 15–21.

"The Effect of Work Capacity on Agricultural Wages: Are there Rewards to Physical Capital Development?" 1993. Selected poster. American Agricultural Economics Association Annual Meeting, Orlando, FL, August 1–4 (with Kim Chung and Reynaldo Martorell).

"Pest Control in Mexico: Parastatals, Pesticide Use and the Circle of Poison," 1992. Organized Symposium on Chemical vs. Biological Control of Pests: An International Comparison. American Agricultural Economics Association Annual Meeting, Baltimore, MD, August 10.

"An Economic Model of Pesticide Quality and Quantity Effects on Apple Production," 1991. Selected paper. American Agricultural Economics Association Annual Meeting, Manhattan, KS, August 2 (with Tim Brown and David Zilberman).

"Modeling Welfare Impacts of Pesticide Bans in California Agriculture." 1991. Selected paper. Western International Economics Association Annual Meeting, Seattle, WA, July 4 (with Julie Hewitt).

"The Cost of Imperfect Information in Pesticide Regulation," 1990. Organized Symposium. American Agricultural Economics Association Annual Meeting, Vancouver, BC, August 4–6.

"Isolating Bias in Econometric Estimates of Technical Change," 1989. Selected paper. American Agricultural Economics Association Annual Meeting, Louisiana State University, Baton Rouge, LA, July 30–August 2.

"The Economics of Biotechnology," Symposium on Biotechnology on the Farm: Developments and Impacts in Production Agriculture. Life Sciences and Technology Section, American Association of Allied Science Annual Meeting, San Francisco, CA, January 14–19, 1989.

"Optimal Pest Control Strategies Incorporating Resistance," 1988. Selected paper. Annual meeting of the Society for Optimal Control and Dynamics, Arizona State University, Tempe, AZ, March 10–13, 1988.

SEMINARS, INVITED LECTURES, AND ADDRESSES (1987–Present)

"Breaking the Fall of the Middle Class: Assessing the Federal Budget Policy Approaches," 2013. Convener, Association for Public Policy Analysis and Management Fall Research Conference, Washington D.C., November 7-10.

"Private Sector Financing of Human Services: The Promise and Pitfalls of "Pay for Success" Contracts and Social Impact." 2013. Chair, Association for Public Policy Analysis and Management Fall Research Conference, Washington D.C., November 7-10.

"What is the Future for Case Studies and Other Teaching Pedagogies in Public Affairs?" 2013. Convener, Network of Schools of Public Policy, Affairs, and Administration Fall Conference, Washington, D.C., October 10.

"The Future of Executive MPA Programs: Opportunities and Challenges to Launching Executive Education Programs," Presenter, Network of Schools of Public Policy, Affairs, and Administration Fall Conference, Washington D.C., October 10

"Effective Evidence-Based Policy Making: Some Critical Perspectives," 2012. Presidential Address, Association for Public Policy Analysis and Management Fall Research Conference, Baltimore, MD, November 8–10.

"The Recovery Act: Network Governance Under Pressure," 2012. Panelist, Association for Public Policy Analysis and Management Fall Research Conference, Baltimore, MD, November 8–10.

"Advancing Policy Informatics within APPAM," 2012. Panelist, Association for Public Policy Analysis and Management Fall Research Conference, Baltimore, MD, November 8–10.

"Meeting the Accountability Challenge," 2012. Panelist, National Association of Schools of Public Affairs and Administration Fall Conference, Austin, TX, October 18–20.

"Public Affairs Education Data: First Results from the NASPAA/APPAM Public Affairs Education Data Project and Next Steps," 2012. Panelist, National Association of Schools of Public Affairs and Administration Fall Conference, Austin, TX, October 18–20.

"Public Affairs Under Attack," 2012. Panelist, National Association of Schools of Public Affairs and Administration Fall Conference, Austin, TX, October 18–20.

"The Globalization of Public Policy Education," 2011. Keynote Speaker, Teaching Policy Analysis and Public Management in today's Classroom Workshop, Association for Public Policy Analysis and Management (in association with the University of Maryland School of Public Policy) Fall Research Conference, November 2.

"Associations in Public Administration and Policy: Greater than the Sum of our Parts?" 2011. Roundtable Convener, National Association of Schools of Public Affairs and Administration Fall Conference, Kansas City, KS, October 20–22.

"Restructuring the Public Affairs Program," 2011. Panelist, National Association of Schools of Public Affairs and Administration Fall Conference, Kansas City, KS, October 20–22.

"The Future of Higher Education," 2011. Panel Moderator, The Rainier Club Public and Global Policy Forum, Seattle, WA, January 26.

Invited Keynote Speaker, 2011. American Astronomical Society Annual National Meeting, Seattle, WA, January 11.

"The Last Campaign of Booth Gardner," 2010. Moderator, Death with Dignity Panel, Seattle, WA.

"Theodore Roosevelt's Western America: Gateway to the Pacific," 2010. Invited Speaker. Symposium, Theodore Roosevelt Association Conference, Seattle, WA, October 23.

"Ethics In Leadership: A Conversation about Power and Privilege in Public Life," 2010. Panel Moderator, Forum, University of Washington.

"Exploring Educational Borders: Student and Faculty Exchange Programs, International Panels Series," 2010. Panelist, National Association of Schools of Public Affairs and Administration Fall Conference, Las Vegas, NV, September 30–October 2.

"A Decade of Change at the Humphrey Institute of Public Affairs: A Case of Organizational Transformation," 2010. Panelist, National Association of Schools of Public Affairs and Administration Fall Conference, Las Vegas, NV, September 30–October 2.

"Diversity Plans: Creating Them and Moving Beyond Them," 2010. Panelist, National Association of Schools of Public Affairs and Administration Fall Conference, Las Vegas, NV, September 30–October 2.

"Getting There: Stakeholder Involvement and Open Diversity Planning Process," 2010. Panelist, National Association of Schools of Public Affairs and Administration Fall Conference, Las Vegas, NV, September 30–October 2.

"A Transactions Cost Approach to Overseas Education: Peace Corps Master's International MPA and Exchanges," 2009. Panelist, National Association of Public Affairs and Administration Fall Conference, Crystal City, VA, October 16.

"Weathering the Storm: How to Manage the Educational Enterprise in the Current Climate," 2009. Session Panel Moderator, Association for Public Policy Analysis and Management Spring Conference, Washington, DC, April 4.

"Building Connections and Programs in China," 2009. Session Panel Presenter, Association for Public Policy Analysis and Management Spring Conference, Washington, DC, April 4.

"The Globalization of Public Policy: How Are We Responding?" 2008. Panelist, National Association of Schools of Public Affairs and Administration Fall Conference, Charleston, SC, October 16–18.

"A Human Capital Strategy for the New Public Service: The University Connection," 2008. Panelist, National Association of Schools of Public Affairs and Administration Fall Conference, Charleston, SC, October 16.

"Competition and Cooperation among Public Affairs Schools, Business Schools, and Law Schools," 2008. Panel Convener, National Association of Schools of Public Affairs and Administration Fall Conference, Charleston, SC, October 17.

"Advancing Sound Decisions: The Evans School's Role in Strengthening Our Region," 2008. Invited Speaker, Community Development Roundtable, Seattle, WA, September 2.

"Teaching Policy in the Globalized Classroom: The U.S. Experience," 2007. Presenter, Association for Public Policy Analysis and Management Spring Conference, Washington, DC, November 8.

"Defining the Universe of Public Affairs Executive Education," 2006. Session Convener, National Association for Public Policy Analysis and Management Conference, Minneapolis, MN, October 6.

"The Next Decade in Trade: Emerging Giants; U.S. Response," 2005. Panelist for Washington Council on International Trade Senator's Conference, Seattle, WA, July 7.

"Should Geographic Information Systems (GIS) be a NASPAA Core Competency?" 2005. Panelist, National Association of Schools of Public Affairs Conference, Washington, DC, October 14.

"Can We Achieve Sustainable Growth: Lessons from Central and Eastern Europe," 2005. PBAF 595A, Attaining a Sustainable Society, University of Washington.

Keynote Speaker, Scottish Rite Scholarship Banquet, 2004. Seattle, WA, September 28.

"The People Speak: American's Role in the World," 2004. Panelist for The People Speak, Seattle, WA, October 4.

"America's Stake in Eliminating Extreme Global Poverty," 2004. Panel Discussion, Washington Council on International Trade, Seattle, WA, April 15.

"California Water Policy," 2002. Lectures in California Policy Issues, Goldman School of Public Policy, University of California, Berkeley, California, February.

"The Environmental Kuznets Curve: Some Empirical Evidence." 1999. Seminar in Environment and Resource Economics Department of Applied Economics, University of Minnesota.

"Transactions Costs and Water Markets," 1997. Seminar in Environment and Resource Economics Department of Applied Economics, University of Minnesota, Winter, and the Humphrey Institute Seminar Series, Spring.

"Technology, Growth and Development," 1996. Economics 5312, Department of Economics, University of Minnesota, February 7.

"Policy Analysis and the Case Study Method," 1995. Workshop, APPAM Annual Conference, Washington, DC, November 2.

"Health Care Policies in the Clinton Era," 1995. Summer, University of Southern Stockholm, Novum Research Park, Stockholm, Sweden, August 23.

"Managing Water Resources Worldwide," 1995. Global Commons Seminar, Humphrey Fellows Program, University of Minnesota, Humphrey Institute, November.

"Food Safety: Women and Children at Risk from Pesticides," 1994. Seminar, Center on Women and Public Policy, January 11.

"Nutrition and Productivity in Guatemala: Some Empirical Evidence," 1994. Seminar, Humphrey Institute Seminar Series, February 11.

"Issues in Global Environmental Sustainability," 1994. Workshop, Department of Economics, Boston University, Boston, MA, November 9–10.

"Integrating Concepts of Sustainable Development into Economic Policy and Planning," 1993. The Cargill Lecture, Department of Economics, Macalester College, December 7.

"Pesticide Policy and California Agriculture's Changing Comparative Advantage, 1992. Invited Lecture, Department of Economics, University of Verona, Verona, Italy, February 16.

"Sustaining Irrigated Agriculture in California's San Joaquin Valley," 1990. Invited Lecture, Morrison Institute Seminar Series on Water Quality and Land Degradation, Stanford University, April 26.

"The Economics of Information in Regulatory Decision Making," 1990. Seminar, Resources for the Future, Washington, DC April 9.

"How Safe is Our Food?" 1989. Keynote Address, Western Legislative Conference, Monterey, CA, November 13–15.

"Confidence in Food Safety," 1989. Keynote Speaker, Pesticide Residue Workshop, California Department of Food and Agriculture and the University of California, Davis, Sacramento, CA, February 21–23.

"How Safe is Safe: A Public Policy Quandary," 1989. Invited Speaker, Southern California Food Industry Conference, Davis, CA, January 24–25.

"How Safe is Safe: A Public Policy Quandary," 1989. Invited Speaker, Western Food Industry Annual Conference, Davis, CA, March 28–29.

"Resisting Economics in Resistance Management: EPA's Role in Managing Pesticide Resistance," 1988. Invited Scientist Series, California Department of Food and Agriculture, Division of Environmental Monitoring, Sacramento, CA, October 5.

"Agricultural Chemical Regulation: A California Point of View," 1988. Invited Speaker. Seminar on Regulatory Affairs, University of California, California Department of Food and Agriculture and the Western Agricultural Chemical Association, Sacramento, CA, July 19–20.

"Are Pesticides Economical?" 1987. Invited Speaker, Sacramento Economics Roundtable, Press Club, Sacramento, CA, September 17.

"Challenges of Immigration Policy to California Agriculture," 1987. Invited Address, Commonwealth Club of San Francisco, February 12.
