Employment data for the class of 2016 demonstrates continued demand for the MPA skill set within the job market and a strong commitment to public service.

89% of graduates found employment or were continuing education within six months after graduation.

92% secured employment opportunities in government, nonprofit, or social enterprise organizations.

Note: Excludes alumni who attended on international student visas, are engaged in volunteer service, or did not provide employment information.

Salaries: Over half of the graduates who accepted full-time positions in the public sector earn salaries above $55,000.

Employment by location: Evans School graduates from the class of 2016 work across the United States and on four continents around the globe!

Washington state immediately after graduation.
