Develop and teach graduate level course "Managing People in Non-Profit and Public Entities, "Executive Leadership," "Homelessness and Social Justice" as well as lecture in Executive Masters in Public Administration program on employment law.

King County Department of Community and Human Services, 2103-2018

Director

Manage department of 480 people with a biennial budget of \$1.5 billion. Responsible for administration of King County's behavioral health services for Medicaid eligible residents in King County including crisis and commitment services. Implement and manage county programs and investments for: homeless housing and services; affordable housing development; developmental disabilities programs; children and youth programs; education and employment programs for 1,000 opportunity youth; employment programs at 20 sites across King County; King County's Veterans Programs; civil legal services; programs serving older adults; and programs serving survivors of domestic violence and sexual assault. Lead strategic initiatives for county including the Familiar Faces Initiative focusing on reducing jail involvement and improving outcomes for high utilizers of the King County Jail. Provide leadership to develop and implement Best Starts for Kids, the most comprehensive initiative in the country for children and youth focusing on prevention and early intervention.

Medina Foundation, 2011-2013

Executive Director

Manage foundation with approximately \$100 million endowment focused on grant making to human service providers such as homeless housing, domestic violence programs, food banks, etc.; develop and advise trustees on strategic initiatives.

Enterprise Community Partners, 2010-2011

Vice President for Public Policy & Government Relations

Develop and advocate for policy initiatives on issues related to affordable housing, community development, homelessness, and self-sufficiency. Serve as primary point of contact for members of Congress and Administration staff providing nonpartisan advice and information on issues related to housing, homelessness, community redevelopment and self-sufficiency. Manage seven person policy office.

City of Seattle Office of Housing, 2005-2010

Director

Led department of 43 staff and \$45 million budget. Managed Office of Housing's \$40 million grant and loan programs making grants and loans ranging from \$5,000 to \$6 million to local nonprofit organizations. Co-chaired and managed administration of the Gates Foundation's \$40 million Sound Families Initiative, which provided funding for housing and services for 1,500 families in a three county area. Developed housing policy initiatives for Mayor and City Council and managed programs including: multi-family lending; first-time homebuyer program; tax abatement and incentive programs to encourage for-profit developers to develop affordable housing; weatherization programs; asset management for 10,000 unit affordable housing portfolio; and disposition of city owned properties. Provided community leadership on affordable housing and ending homelessness as part of the Seattle/King County Ten Year Plan to End Homelessness Interagency Council, the Combined Funders Group, and Puget Sound Regional Council's Housing Task Force. Increased city funding for homeless and affordable housing by working with Mayor and City Council to increase general fund allocations for homeless housing and successfully obtaining grants from the MacArthur Foundation, the Corporation for Supportive Housing, and the Fannie Mae Foundation.

Buck & Gordon, LLP (now GordonDerr LLP), 1999-2005

Partner

Provided legal counsel on land use, Growth Management Act, shorelines, and other environmental laws to private companies, nonprofits, municipalities and individuals, including representation in court, administrative hearings and city/county councils on a wide range of land use and environmental issues. Provided legal counsel to non-profit housing developers on a range of issues related to development of affordable housing. • *Pro bono* work included successful litigation on behalf of community group to prevent new hotel from blocking views from Pike Place Market.

Perkins Coie, L.L.P., 1996-1999

Associate

Researched, wrote briefs and legal memoranda and represented clients in front of administrative hearing bodies on land use and real estate matters including development of corporate headquarters, permitting for wireless networks and environmental litigation. • • *Pro bono* work included research for U.S. Supreme Court Compassion In Dying case, and religious freedom case for Native American inmates who were being denied right to engage in religious practices.
