Faculty Sponsor - Visiting Scholar Partner Agreement

The Faculty Sponsor and the Visiting Scholar are peers, with the Faculty Sponsor providing guidance to the resources and networks available to the Visiting Scholar at the Evans School of Public Affairs and University of Washington. The Faculty Sponsor assists the Visiting Scholar as an intellectual collaborator, meeting periodically with the Visiting Scholar as she/he advances her/his own research ideas and goals. The Visiting Scholar's "Statement of Purpose" provides the framework for the activities; major adjustments should be discussed with the Faculty Sponsor.

I agree to meet periodically between _______ and _______ with the Visiting Scholar in order to support the research goals set forth in the “Statement of Purpose.”

Evans School Faculty Sponsor Name: _______________________________________________

Evans School Faculty Sponsor Signature: ____________________________________________

Date: __________________________________________________________________________

I understand that as part of the Visiting Scholars program at the Evans School I am expected to meet regularly with the assigned faculty sponsor and discuss progress/challenges towards achieving my research goals.
