- Course dates and instructors are subject to change.
- Course Topics will be provided closer to the start of the program.
- Dates above reflect in-class course time. Online video conferencing and the use of other online virtual learning platforms is integrated into selected courses, which may reduce the total number of in-person course dates. In these cases, students will be provided with advance notice for their schedule planning.
- Distance learning activity occurs throughout program between these scheduled dates in online, video, and virtual formats.
